2025 BMPA Kid's Fishing Day

March 10, 2025

The Back Mountain Police Association is holding its 17th annual “BMPA Rusty Flack Memorial Kid's Fishing Day” at Frances Slocum State Park on Saturday, May 3rd, 2025. This year, approximately 200 children AGES 5 THROUGH 12 will enjoy a fun-filled day fishing for over 1000 trout (including several trophy sized) in a net-enclosed area of Frances Slocum Lake. A handicapped-accessible dock is provided for the convenience of children with special needs. Loaner fishing poles, bait, and tackle will be provided. In addition to fishing, the children receive a gift, have lunch, take part in Fishing Instruction classes, view Police K-9 demonstrations, receive fire prevention education inside our sponsored fire safety smoke house and have plenty of opportunities to interact with uniformed law enforcement officers alongside their vehicles and equipment. **All free of charge because of our generous supporters.**

Following this year's event, we are partnering with an organization to provide autistic children the opportunity to spend a peaceful evening fishing in the stocked area. Each child will receive a free rod & reel as a gift.

Based on past generosity and support of the community and law enforcement, your business is one of the limited number of businesses being contacted. As a sponsor, the name of your business will be prominently displayed on large professionally designed signage at our event's main pavilion where it will be seen by well over 600 participants, family members, and spectators.

We ask that your business make a donation to Kid's Fishing Day on one of three levels:

Platinum Sponsor: \$1000 / Gold Sponsor: \$500 / Silver Sponsor: \$250

Your donation is 100% TAX DEDUCTABLE

If you have any questions, you may reach me at 760-9342 or Michael Huntzinger, President, at 696-1175 (ext. 106).

Thank you in advance for your consideration and your continued support.

Sincerely,
Ross Piazza
